What is Blind Date with a Star!

Have you ever been on a blind date? What about a blind date with you, 9 of your closest friends and a local celebrity? How about a blind date to an unknown destination? Sound intriguing?

People will gather for a gala reception unaware of where and with whom they will be enjoying a fabulous dining experience.

Guests will match up with 'their celebrity' and depart for their dining venue with great anticipation. *Blind Date with a Star* culminates with the enjoyment of a delectable three course (minimum) dinner prepared for the evening by one of Red Deer & District's elite chefs.

All proceeds go directly to support the Learning Disabilities Association's programs/scholarships/bursaries/resources.
